

98-inch class highly reliable professional display with 4K resolution that is ideal for corporate meeting rooms, educational, and signage applications.

TH-98SQE2

The TH-98SQE2 4K Professional Display is designed for 24-hour with 500cd/m2 with an anti glare panel and min. haze treatment of 25% for continuous operation and crystal-clear viewing clarity.

Key Features

High image quality and high legibility suitable for various scenes

Superb Reliability & Easy Installation

Various external linkage suitable for conference room and signage applications

TH-98SQE2

Footnote Description

- Displaying a still image for a long time may cause burn-in (image persistence artifacts), it could be mitigated when display video image.
- 2. : Excluding remote IR sensor
- 3. : Including remote IR sensor
- Please contact your sales representative with regard to the tilt angle before installation.
- 5.: Based on IEC 62087 Ed.2 measurement method
