

List of Compatible Device Models

Remotely Managed Service - Monitoring Service

- As of September 2026 -

In using this service, bear in mind that the items whose settings must be selected for the projectors that can be used may differ from one projector model to another. While referring to the table below, check out that projector models are compatible with the service before using them.

Compatible Models

※Alphabetical suffixes at the end of model names are omitted. This does not affect the applicable content.
